

## HURON SHORE RANGER STATION

### Description of Decision

The decision will be to issue a 10-year special use permit to Huron Forest Camp CedarRidge. The permit would allow for the continued location and maintenance of two directional signs on National Forest System (NFS) lands. No new ground disturbing activities or disturbance outside the existing authorized area will occur.

The permit would authorize use of approximately 0.01-acre of NFS lands within Part of the SW $\frac{1}{4}$  SW $\frac{1}{4}$ , Section 27 and Part of the NW $\frac{1}{4}$  NW $\frac{1}{4}$ , Section 34, T24N, R7E, Iosco County, Michigan.

The decision would be implemented through issuance of a special use authorization that will meet the requirements of the decision and Forest Service regulations. Forest Service regulations require the applicant to: pay any necessary fees, post any necessary bonds; and secure any state or federal permits or authorizations required by law.

Huron Forest Camp CedarRidge will be required to pay an annual special use fee since they do not qualify for a fee waiver in accordance with 36 CFR 251.57(b).
